2020 
**BIT Summer U**ndergraduate 
Research Experience (**BIT SURE**)

**Eligibility**

To be eligible for this research experience, applicants must:

1. …be enrolled in an undergraduate degree program at NC State.
2. …have available 29 hours each week for 8 weeks in the summer.
3. …not be employed by NC State in any other capacity for the duration of the program.
4. …agree to present research as a poster at the NC State Undergraduate Research Summer Symposium (date TBA, usually ~August 1st).

**Support**

Students will receive up to $3248 to help support expenses. This will be paid as an hourly wage of $14/hour for up to 29 hours per week. The total amount of compensation will depend on total hours worked, and may vary depending on project schedules. Class credit may be substituted for compensation with the permission of your mentor.

**Application Material Checklist**

__  Completed application form (through Google form on our website: [http://biotech.ncsu.edu/pages/bit-sure](http://biotech.ncsu.edu/pages/bit-sure))

__  Statement of purpose (Describe your career goals, what you would like to gain from this experience, and how being selected could help you achieve those goals. Please limit it to 2 typed, single-sided, double-spaced pages – submit through Google form)

__  1 copy of undergraduate transcripts (unofficial transcripts will be accepted – submit through Google form)

__  2 letters of recommendation (excludes BIT 410 instructors) – must be sent by the referring individual (i.e. reference) directly to Dr. Arnab Sengupta (asengupta@ncsu.edu)

All application materials must be submitted by **Friday, January 31st, 2020**.
